

## **PRIVACY STATEMENT FOR THE SECURITY REGISTER**

(General Data Protection Regulation (EU) 2016/679, articles 12-14)

This privacy statement explains how the Fingrid Group processes personal data guaranteeing company security. Fingrid Group comprises Fingrid Oyj and its subsidiaries Finextra Oy and Fingrid Datahub Oy. Fingrid Oyj deals with questions concerning personal data centrally within the Group, and the execution of the rights of data subjects presented below in this statement.

### **1. Contact information for the Registrar**

Fingrid Oyj, Data Protection Officer  
Läkkisepäntie 21  
00620 Helsinki  
PO Box 530, 00101 Helsinki

Fingrid Oyj - telephone switchboard +358 (0)30 395 5000

### **2. Person in charge of register matters**

Data Protection Officer Niko Tuononen  
E-mail: [DPO@fingrid.fi](mailto:DPO@fingrid.fi)

### **3. The purpose of and grounds for personal data processing**

The processing of personal data is based on the legitimate interests of Fingrid or a third party, and personal data is processed in order to ensure physical security, to protect property and to ensure the data security of system operation, access control and access management.

### **4. Personal data to be processed**

- basic data such as name, personal ID, company, telephone number, e-mail
- contact information
- car registration number
- photographic material and video recordings
- information on access passes
- user rights to Fingrid's e-Services / ICT systems and user data of ICT-systems
- the result a security assessment

## **5. Regular data sources**

Personal data is obtained from the data subject him/herself, through logins and logouts, using surveillance equipment such as video cameras, and from the authorities. ICT systems collect user data.

## **6. Regular assignments of data**

Fingrid does not assign personal data regularly to external parties.

Data may be assigned to the authorities or other external parties for the investigation of crimes, misdemeanours or malicious damage.

## **7. The transfer of data outside the EU or EEA**

Data in a register may be transferred outside the area of member states of the European Union or the European Economic Area, if this is necessary in terms of the purposes of processing the above-mentioned personal data or of the technical execution of the data processing. In that case, the transfer of the data complies with the requirements stipulated in the EU Data Protection Regulation.

## **8. Data protection**

Data is protected by appropriate technical and organizational measures. The paper material is stored in a locked state. Electronic material is protected by technical measures and access to the systems is granted only to those persons for whom it is necessary for their work or function. Fingrid's personnel are bound by professional secrecy. Staff are trained and instructed in the lawful processing of personal data.

External data processors are also required to have adequate technical and organizational protection measures as well as a commitment to confidentiality.

## **9. Time for storing data**

Data is processed and stored for the period of time necessary for accomplishing the original purpose of the processing.

## **10. Rights of the data subject**

A data subject is entitled to ask the registrar for access to personal data concerning

him/herself, and has the right to request the correction of his/her personal data or the limiting of its processing.

The data subject has the right to have his/her data removed, if the personal data is not required for the purposes described in Section 3. There is no right to the removal of data if Fingrid has a statutory obligation to keep the data, or if Fingrid needs the data to prepare, present or defend a legal claim.

A data subject may use his/her rights by contacting:

Fingrid Oyj / Niko Tuononen  
PO Box 530, 00101 Helsinki

E-mail: [dpo@fingrid.fi](mailto:dpo@fingrid.fi)

#### **11. Automatic decision-making and profiling**

The Registrar does not make decisions based on automatic processing.

#### **12. Making a complaint to the supervisory data protection authority**

If a data subject considers that the processing of his/her personal data breaches applicable legislation, or his/her statutory rights have been infringed, he/she may make a complaint about the matter to the Data Protection Ombudsman whose contact information can be found at the following address: <http://www.tietosuoja.fi/en/>.
