Under the Debt Issuance Programme described in this Prospectus (the "Programme"), Fingrid Oyj (the "Issuer", "Fingrid" or the "Company"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue debt securities (the "Notes"). Subject to compliance with all relevant laws, regulations and directives, the Notes may have a minimum maturity of one month and no maximum maturity.

The aggregate principal amount of Notes outstanding will not at any time exceed €1,500,000,000 (or the equivalent in other currencies).

Application has been made to the Financial Conduct Authority under Part VI of the Financial Services and Markets Act 2000 (the "UK Listing Authority") for Notes issued under the Programme for the period of 12 months from the date of this Prospectus to be admitted to the official list of the UK Listing Authority (the "Official List") and to the London Stock Exchange plc (the "London Stock Exchange") for such Notes to be admitted to trading on the London Stock Exchange's EEA Regulated Market (the "Market"). References in this Prospectus to Notes being "listed" (and all related references) shall mean that such Notes have been admitted to trading on the Market and have been admitted to the Official List. The Market is a regulated market for the purposes of Directive 2004/39/EC of the European Parliament and of the Council on markets in financial instruments.

Each Series (as defined on page 9) of Notes in bearer form will be represented on issue by a temporary global note in bearer form (a "temporary Global Note") or a permanent global note in bearer form (a "permanent Global Note" and each of the temporary Global Note and permanent Global Note, a "Global Note"). If the Global Notes are stated in the applicable Final Terms to be issued in new global note ("NGN") form, the Global Notes will be delivered on or prior to the original issue date of the relevant Tranche to a common safekeeper (the "Common Safekeeper") for Euroclear Bank S.A./N.V. ("Euroclear") and Clearstream Banking, société anonyme ("Clearstream, Luxembourg") (the "Common Depository").

Notes in registered form will be represented by registered certificates (each a "Certificate"), one Certificate being issued in respect of each Noteholder's entire holding of Registered Notes of one Series. Registered Notes issued in global form will be represented by registered global certificates ("Global Certificates"). If a Global Certificate is held under the New Safekeeping Structure (the "NSS") the Global Certificate will be delivered on or prior to the original issue date of the relevant Tranche to a Common Safekeeper for Euroclear and Clearstream, Luxembourg.

Global Notes which are not issued in NGN form ("Classic Global Notes" or "CGNs") and Global Certificates which are not held under the NSS may be deposited on the issue date of the relevant Tranche with a common depository for Euroclear and Clearstream, Luxembourg.

The provisions governing the exchange of interests in Global Notes or Global Certificates for other Global Notes and definitive Notes and Certificates, respectively, are described in "Summary of Provisions Relating to the Notes while in Global Form".

The Issuer has been rated A1 by Moody's Investors Service Ltd. ("Moody's"), A+ in respect of its long-term senior unsecured debt by Standard & Poor's Credit Market Services Europe Limited ("S&P") and A+ in respect of the Programme by Fitch Ratings Ltd ("Fitch"). Each of Moody's, S&P and Fitch is established in the EU and registered under Regulation (EC) No 1060/2009 (the "CRA Regulation").

Tranches of Notes (as defined in "Overview of the Programme - Method of Issue") to be issued under the Programme will be rated or unrated. Where a Tranche of Notes is to be rated, such rating will not necessarily be the same as the rating assigned to the Notes already issued. Where a Tranche of Notes is rated, the applicable rating(s) will be specified in the relevant Final Terms.

A rating assigned to the Issuer, the Programme or the Notes is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

The minimum specified denominations of the Notes issued under this Programme shall be €100,000 (or its equivalent in any other currency as at the date of issue of the Notes).

For the purposes of this Prospectus, the expression “Prospectus Directive” means Directive 2003/71/EC (and the amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in a Member State of the European Economic Area (each a “Relevant Member State”)), and includes any relevant implementing measure in the Relevant Member State and the expression “2010 Amending Directive” means Directive 2010/73/EU.

To the best of the knowledge of the Issuer (having taken all reasonable care to ensure that such is the case) the information contained in this Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

This Prospectus is to be read in conjunction with all documents which are incorporated herein by reference (see “Documents Incorporated by Reference”).

No person has been authorised to give any information or to make any representation other than those contained in this Prospectus in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers or the Arranger (each as defined below). Neither the delivery of this Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or any of its subsidiaries and affiliates (the “Group”) since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer or the Group since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuer, the Dealers and the Arranger to inform themselves about and to observe any such restriction.

To the fullest extent permitted by law, none of the Dealers or the Arranger accept any responsibility for the contents of this Prospectus or for any other statement, made or purported to be made by the Arranger or a Dealer or on its behalf in connection with the Issuer or the issue and offering of the Notes. The Arranger and each Dealer accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Prospectus or any such statement. Neither this Prospectus nor any other financial statements are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Dealers or the Arranger that any recipient of this Prospectus or any other financial statements should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in

this Prospectus or any other financial statements and its purchase of Notes should be based upon any such investigation as it deems necessary. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of the Issuer or the Group during the life of the arrangements contemplated by this Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

One or more independent credit rating agencies may assign credit ratings to the Issuer, the Programme or the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should: (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement; (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact such investment will have on its overall investment portfolio; (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the currency in which such investor's financial activities are principally denominated; (iv) understand thoroughly the terms of the relevant Notes and be familiar with the behaviour of any relevant indices and financial markets; and (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks. Some Notes issued under the Programme may be complex financial instruments and such instruments may be purchased by investors as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with the assistance of a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

In connection with the issue of any Tranche (as defined in "Overview of the Programme - Method of Issue"), the Dealer or Dealers (if any) appointed as the stabilising manager(s) (the "Stabilising Manager(s)") (or any person acting on behalf of any Stabilising Manager(s)) may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or any person acting on behalf of any Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche and 60 days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or any person acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

In this Prospectus, unless otherwise specified or the context otherwise requires, references to “€” or “euro” are to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty establishing the European Communities (as amended from time to time) and references to “U.S. Dollars” and “U.S.\$” are to the currency of the United States of America.

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the Issuer may be unable to pay interest, principal or other amounts on or in connection with any Notes for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive.

Prospective investors should also read the detailed information set out elsewhere in this Prospectus including any documents incorporated by reference herein, and reach their own views prior to making any investment decision.

Factors that may affect the Issuer's ability to fulfil its obligations under or in connection with the Programme

Risks related to the functioning of the power system

Major disturbance or power shortages in the Finnish or Nordic power systems could occur due to: severe and simultaneous faults in the grid; the malfunctioning of the network control system; adverse weather conditions; terrorism or vandalism; human error; inadequate production capacity; or an external incident, any of which could prevent the operation of the grid in whole or partially. Although the Company is prepared for these situations with various reserves, operational codes, manuals and emergency provisions, the disturbance may have a negative impact on the Company's financial position or its reputation.

Inappropriate or unanticipated capital investments

Unexpected decline in overall electricity consumption due to macro-economic factors or structural changes in specific industrial sectors can lead to a situation where transmission investments are no longer fully utilised or are no longer necessary for a particular area, region or industrial location.

In turn, unexpected increases in electricity consumption, changes in outlining the nationwide grid or new environmental requirements can lead to large unanticipated capital investment requirements. The occurrence of the events mentioned above may have a negative impact on the Company's financial position.

Risks related to regulation, electricity market, accounting and taxation

Fingrid operates under a licence. The Electricity Market Act (the "Act") imposes certain obligations on Fingrid in carrying out its operations and there are limitations on the allowed return for the Company. Unfavourable changes in Finnish or European regulation may have negative effects on the Company's financial position.

Under the Act, the Company has a responsibility to develop the electricity market. The stricter regulation on environmental matters and more complicated permit processes may negatively influence the Company's ability to fulfil targets set for developing the electricity market and this may negatively influence the Company's financial position or reputation.

Under Finnish accounting practice, depreciation method permits the deferral of taxes. If changes in accounting or tax legislation abolish this mechanism, it will negatively affect the Company's financial position.

Risks related to health and safety matters and the environment

Fingrid transmits electricity via high voltage lines and substations. When working with high voltage and big structures there are inherent risks to persons and a risk of damage to property.

Accidents may occur due to a fault in the Company's own power system operation or due to a third party or for example due to very exceptional weather conditions.

There are hazardous materials used in parts of the power system, for example, in transformers. Fingrid is operating power plants for reserve purposes. This includes storing hazardous fuels that are harmful to the environment. There is risk that some commonly used material in the power system is stated hazardous and must be treated accordingly.

Potential risk factors, which may harm the Company's financial position or its reputation, relate to the effects of the electric and magnetic fields. Their long-term effects to people's health have been examined extensively, but adverse effects have not been proved.

Unanticipated increase in costs or decrease in income

- (i) Increases in operating costs related to reserves, construction, counter-trade or commodities; any unexpected repair or maintenance costs; decreases in electricity consumption; or structural changes in electricity production or consumption may have negative effects on the Company's financial position.
- (ii) The Company procures electricity lost through transmission from electricity exchanges and with bilateral contracts. Although the Company has hedged its short and medium term position with derivative instruments against high electricity prices, if the prevailing price is high for a sustained period of time, this may weaken the Company's financial position.

Interest rate risk

The Company has floating rate debt. Although the Company has hedged its short and medium term position with derivative instruments against high interest rates, if the prevailing interest rate is high for a long period of time, this may weaken the Company's financial position.

Human resources risk

Fingrid's personnel have unique knowledge and know-how in grid operations, grid investments and electricity markets. If certain key individuals either cease to be employed by the Company or their services cease to be otherwise available to the Company it may have negative effects on the Company's financial position.

Information technology risk

Fingrid operates electricity transmission infrastructure with dedicated information technology systems and software. Risk includes critical failure in information technology infrastructure, critical failure in system or software, cyber-attack sabotage and human errors in operating or maintenance. These risks could prevent the operation of the grid in whole or in part that may have negative effects on the Company's financial position.

Grid assets risk

Transmission grid consists of components that are highly decentralised but failure of critical components could prevent the operation of the grid in whole or in part. Failure of valuable components such as a transformer, submarine cable or reserve power plant may interrupt the operation of the grid and could have negative effects on the Company's financial position.

Reputation risk

Negative influence to reputation may have negative effects on the Company's financial position through human resource risk or regulation risk. Negative influence to reputation could cause more opposition to the Company's operations such as investments and market development that may have negative effects on the Company's financial position.

Counterparty risk

The Company faces counterparty risk, if a counterparty does not fulfil its obligations to Fingrid. Fingrid has counterparty risk in its operations, derivative agreements and investments.

Although the Company monitors its counterparty risks and has a risk management policy for managing counterparty risks there is a possibility that if these risks are realised they may weaken the Company's financial position.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

Risks related to the structure of a particular issue of Notes

Notes subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of Notes. During any period when the Issuer may elect to redeem Notes, the market value of such Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Integral multiples of less than €100,000

In relation to any issue of Notes which have a denomination consisting of the minimum specified denomination of €100,000 plus a higher integral multiple of another smaller amount, it is possible that the Notes may be traded in amounts in excess of €100,000 (or its equivalent) that are not integral multiples of

€100,000 (or its equivalent). In such a case a Noteholder who, as a result of trading such amounts, holds a principal amount of less than the minimum specified denomination of €100,000 will not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denominations.

Risks related to Notes generally

Modifications

The Terms and Conditions of the Notes and the Agency Agreement contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including the Noteholders who did not attend nor vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the “EU Savings Directive”), each EU Member State is required to provide to the tax authorities of other EU Member States details of payments of interest (or similar income) paid by a person established within its jurisdiction to (or for the benefit of) an individual resident, or certain other persons established in that other EU Member State. However, for a transitional period, Luxembourg and Austria will instead (unless during that period they elect otherwise) apply a withholding system in relation to such payments, subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest (or similar income) may request that no tax be withheld. The ending of such transitional period is dependent upon the conclusion of certain other agreements relating to information exchange by certain non-EU countries. The Luxembourg government has announced its intention to elect out of the withholding system in favour of an automatic exchange of information with effect from 1 January 2015.

A number of third countries and territories have adopted similar measures to the EU Savings Directive.

The Council of the European Union has adopted a Directive (“the Amending Directive”) which will, when implemented, amend and broaden the scope of the requirements of the EU Savings Directive described above. The Amending Directive will expand the range of payments covered by the EU Savings Directive, in particular to include additional types of income payable on securities, and the circumstances in which payments must be reported or paid subject to withholding. For example, payments made to (or for the benefit of) (i) an entity or legal arrangement effectively managed in an EU Member state that is not subject to effective taxation, or (ii) a person, entity or legal arrangement established or effectively managed outside of the EU (and outside any third country or territory that has adopted similar measures to the EU Savings Directive) which indirectly benefit an individual resident in an EU Member State, may fall within the scope of the EU Savings Directive, as amended. The Amending Directive requires EU Member States to adopt national legislation necessary to comply with it by 1 January 2016, which legislation must apply from 1 January 2017.

If a payment were to be made or collected through an EU Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment pursuant to the EU Savings Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. Further, once the Amending Directive is implemented and takes effect in EU Member states, such withholding may occur in a wider range of circumstances than at present, as explained above. The Issuer is required, in accordance with Condition 7(e) of the Notes, to maintain a Paying Agent with a specified office in an EU Member State that will not be obliged to withhold or deduct tax pursuant to any law implementing any Directive on the taxation of savings

implementing the conclusions of the ECOFIN council meeting of 26-27 November 2000, which may mitigate an element of this risk if the Noteholder is able to arrange for payment through such a Paying Agent. However, investors should choose their custodians and intermediaries with care, and provide each custodian and intermediary with any information that may be necessary to enable such persons to make payments free from withholding and in compliance with the EU Savings Directive.

Change of law

The Terms and Conditions of the Notes are governed by English law in effect as at the date of issue of the relevant Notes. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of issue of the relevant Notes.

U.S. Foreign Account Tax Compliance Withholding

Whilst the Notes are in global form and held within Euroclear and Clearstream, Luxembourg (together, the “ICSDs”), in all but the most remote circumstances, it is not expected that FATCA will affect the amount of any payment received by the ICSDs (see “Taxation – U.S. Foreign Account Tax Compliance Act”). However, FATCA may affect payments made to custodians or intermediaries (including any clearing system other than Euroclear or Clearstream, Luxembourg) in the payment chain leading to the ultimate investor if any such custodian or intermediary generally is unable to receive payments free of FATCA withholding. It also may affect payment to any ultimate investor that is a financial institution that is not entitled to receive payments free of withholding under FATCA, or an ultimate investor that fails to provide its broker (or other custodian or intermediary from which it receives payment) with any information, forms, other documentation or consents that may be necessary for the payments to be made free of FATCA withholding. Investors should choose the custodians or intermediaries with care (to ensure each is compliant with FATCA or other laws or agreements related to FATCA), provide each custodian or intermediary with any information, forms, other documentation or consents that may be necessary for such custodian or intermediary to make a payment free of FATCA withholding. Investors should consult their own tax adviser to obtain a more detailed explanation of FATCA and how FATCA may affect them. The Issuer’s obligations under the Notes are discharged once it has paid the Common Depository or Common Safekeeper for the ICSDs (as bearer of the Notes) and the Issuer has therefore no responsibility for any amount thereafter transmitted through hands of the ICSDs and custodians or intermediaries.

Risks related to the market generally

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and greater price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor’s financial activities are denominated principally in a currency or currency unit (the “Investor’s Currency”) other than the Specified

Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor’s Currency) and the risk that authorities

with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Issuer or the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion in accordance with the provisions of Part A of the Final Terms, shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Series. Either (i) the full text of these terms and conditions together with the relevant provisions of Part A of the Final Terms or (ii) these terms and conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes. Words and expressions defined in the Trust Deed or the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Conditions unless the context otherwise requires or unless otherwise stated provided that, in the event of inconsistency between the Agency Agreement and the Trust Deed, the Trust Deed will prevail and in the event of inconsistency between the Agency Agreement or the Trust Deed and the applicable Final Terms, the applicable Final Terms will prevail. All capitalised terms that are not defined in these Conditions will have the meanings given to them in Part A of the relevant Final Terms. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are constituted by an Amended and Restated Trust Deed dated 14 November 2013 (as may be amended or supplemented and/or restated as at the date of issue of the Notes (the “Issue Date”) (the “Trust Deed”)) between the Issuer and Citicorp Trustee Company Limited (the “Trustee”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below). These terms and conditions (the “Conditions”) include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Coupons and Talons referred to below. An Amended and Restated Agency Agreement dated 14 November 2013 (as amended or supplemented and/or restated as at the Issue Date, the “Agency Agreement”) has been entered into in relation to the Notes between the Issuer, the Trustee, Citibank, N.A., London Branch, as initial issuing and paying agent and the other agents named in it. The issuing and paying agent, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below, respectively, as the “Issuing and Paying Agent”, the “Paying Agents” (which expression shall include the Issuing and Paying Agent), the “Registrar”, the “Transfer Agents” (which expression shall include the Registrar) and the “Calculation Agent(s)”. Copies of the Final Terms, Trust Deed and the Agency Agreement are available for inspection during usual business hours at the registered office of the Trustee (presently at Citigroup Centre, 25 Canada Square, Canary Wharf, London E14 5LB) and at the specified offices of the Paying Agents and the Transfer Agents.

The Noteholders, the holders (the “Couponholders”) of the interest coupons (the “Coupons”) appertaining to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “Talons”) are entitled to the benefit of, are bound by, and are deemed to have notice of, all of the provisions of the Trust Deed and the Final Terms and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

The Trust Deed provides that, in relation to any Noteholder and Couponholder, a person who is not a party to the Trust Deed has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Trust Deed, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

1 Form, Denomination and Title

The Notes are issued in bearer form (“Bearer Notes”, which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form (“Registered Notes”) or in bearer form exchangeable for Registered Notes (“Exchangeable Bearer Notes”) in each case in the Specified Currency and the Specified Denomination(s) specified in the Final Terms provided that the minimum Specified Denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

All Registered Notes shall have the same Specified Denomination. Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest Specified Denomination of Exchangeable Bearer Notes. The Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note or a combination of any of the foregoing, depending upon the Interest/Payment Basis shown in the Final Terms. Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Registered Notes are represented by registered certificates (“Certificates”) and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Coupons and Talons shall pass by delivery outside the United States. Title to the Registered Notes shall, subject to mandatory rules of law, pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Certificate, Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Coupon or Talon) means the bearer of any Bearer Note, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them in the Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

2 Exchange of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) Exchange of Exchangeable Bearer Notes

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same aggregate Principal Amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 7(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Bearer Notes that are not Exchangeable Bearer Notes may not be exchanged for Registered Notes.

(b) *Transfer of Registered Notes*

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or the Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor.

All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(c) *Exercise of Options or Partial Redemption in Respect of Registered Notes*

In the case of an exercise of an Issuer's or Noteholders' option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(d) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Conditions 2(a), (b) or (c) shall be available for delivery five business days after receipt of the request for exchange, form of transfer or Exercise Notice or surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent (as defined in the Agency Agreement) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "business day" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) *Exchange Free of Charge*

Exchange and transfer of Notes and Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax, duty or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) **Closed Period**

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Certificate is simultaneously surrendered not later than the relevant Record Date.

3 Status

The Notes and the Coupons constitute (subject to Condition 4) unsecured and unsubordinated obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Notes and Coupons shall, save for such exceptions as may be provided by applicable laws, at all times rank at least equally with all other unsecured and unsubordinated indebtedness of the Issuer, present and future.

4 Negative Pledge

So long as any Notes remain outstanding (as defined in the Trust Deed), the Issuer will not (and will ensure that any of its Material Subsidiaries (as defined in Condition 10) do not) create or permit to subsist any mortgage, charge, pledge, lien or other security interest (“Security”) upon the whole or any part of its undertaking, assets or revenues (including any uncalled capital) present or future to secure any Relevant Indebtedness (as defined below) exceeding in aggregate an amount equal to 10 per cent. of the consolidated total assets of the Group (as defined in Condition 10) (as determined by the latest consolidated financial statements of the Group) unless, at the same time or prior thereto, the Issuer’s obligations under the Notes, the Coupons and the Trust Deed (a) are secured equally and rateably therewith, or (b) have the benefit of such other security or other arrangement as the Trustee in its absolute discretion shall deem to be not materially less beneficial to the Noteholders or as shall be approved by an Extraordinary Resolution of the Noteholders. For the purposes of this Condition, “Relevant Indebtedness” means any present or future Indebtedness for Borrowed Money (as defined in Condition 10) of the Issuer or any Subsidiary other than:

- (a) Project Finance Indebtedness (as defined in Condition 10);
- (b) indebtedness owed by a Subsidiary (as defined in Condition 10) to the Issuer;
- (c) indebtedness secured on the property of an entity becoming a Subsidiary after 5 May 1998 where the relevant Security existed at the time such entity becomes a Subsidiary (provided that such Security was not created in contemplation of such acquisition and the principal amount secured at the time of such acquisition is not increased);
- (d) indebtedness incurred in connection with the purchase price of any asset and secured only on such asset and any income or other property derived therefrom or in connection therewith;
- (e) indebtedness owed to or guaranteed or subsidised by a government or sovereign agency or a lending organisation established by the United Nations, the European Union or by treaty (including the European Investment Bank, the European Bank for Reconstruction and Development and the Nordic Investment Bank) up to a maximum of €170,000,000 (or its equivalent in other currencies) in aggregate;

- (f) indebtedness secured by liens arising by operation of law in the normal course of business or by set-off arrangements between cash balances and bank borrowings at the same bank;
- (g) margin accounts arising under (i) derivatives contracts or (ii) electricity sales and purchases, in each case in the normal course of business;
- (h) any extension, renewal or replacement (or successive extensions, renewals or replacements) of any indebtedness referred to in (a) to (g) above, provided the amount of the indebtedness secured thereby is not increased.

5 Interest and other Calculations

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest on its outstanding Principal Amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(f).

(b) *Interest on Floating Rate Notes*

(i) Interest Payment Dates

Each Floating Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(f). Such Interest Payment Date(s) is/are either shown in the Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown in the Final Terms as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) Business Day Convention

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) Rate of Interest

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA

Determination or Screen Rate Determination shall apply, depending upon which is specified in the Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “ISDA Rate” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified in the Final Terms;
- (y) the Designated Maturity is a period specified in the Final Terms; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the Final Terms.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date” and “Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate/Reference Bank Determination

(a) Where Screen Rate Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (x) the offered quotation; or
- (y) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

(b) if the Relevant Screen Page is not available or if sub-paragraph (a)(x) above applies and no such offered quotation appears on the Relevant Screen Page or if subparagraph (a)(y) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the

Reference Rate is LIBOR, as at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, as at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and

- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(c) ***Zero Coupon Notes***

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as defined in Condition 6(b)(i)).

(d) *Accrual of Interest*

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgement) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

(e) *Margin, Maximum/Minimum Rates of Interest and Redemption Amounts and Rounding*

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 5(b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph;
- (ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified in the Final Terms, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be;
- (iii) Subject to the requirements of applicable law, for the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up). For these purposes “unit” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means 0.01 euro.

(f) *Calculations*

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, and the outstanding Principal Amount of such Note by the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(g) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts*

The Calculation Agent shall, as soon as practicable on each Interest Determination Date, or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate or amount and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest

Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount or any Optional Redemption Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period is subject to adjustment pursuant to Condition 5(b), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(h) *Determination or Calculation by Trustee*

If the Calculation Agent does not at any time for any reason determine or calculate the Rate of Interest for an Interest Accrual Period or any Interest Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount the Trustee shall do so (or shall appoint an agent on its behalf to do so) and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

6 Redemption, Purchase and Options

(a) *Final Redemption*

Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified in the Final Terms at its Final Redemption Amount (which, unless otherwise provided in the Final Terms, is its Principal Amount).

(b) *Early Redemption*

(A) Zero Coupon Notes

- (i) The Early Redemption Amount payable in respect of any Zero Coupon Note, upon redemption of such Note pursuant to Condition 6(c) or 6(f) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note unless specified in the Final Terms.
- (ii) Subject to the provisions of sub-paragraph (iii) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the Final Terms, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (iii) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(c) or 6(f) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (ii) above, except that such sub-paragraph shall have effect as though the reference therein to the date on which the Note becomes due and payable were replaced by a reference to the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled

Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the Final Terms.

(B) Other Notes

The Early Redemption Amount payable in respect of any Note (other than Zero Coupon Notes) upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount unless otherwise specified hereon.

(c) ***Redemption for Taxation Reasons***

If, as a result of any amendment to or change in the laws or regulations of Finland or of any political subdivision thereof or any authority therein or thereof having power to tax or any change in the official or generally accepted interpretation or application of such laws or regulations which becomes effective on or after the date of issue of the first Tranche of the Series of which the Notes form part, the Issuer has or will become obliged to pay any additional amounts as described in Condition 8 (and such amendment or change has been evidenced by the delivery by the Issuer to the Trustee (who shall accept such certificate and opinion as sufficient evidence thereof) of (i) a certificate signed by a director of the Issuer on behalf of the Issuer stating that such amendment or change has occurred (irrespective of whether such amendment or change is then effective), describing the facts leading thereto and stating that such requirement cannot be avoided by the Issuer taking reasonable measures available to it and (ii) an opinion of independent legal advisers of recognised standing to the effect that such amendment or change has occurred (irrespective of whether such amendment or change is then effective)), the Issuer may (having given not less than 30 nor more than 90 days' irrevocable notice to the Trustee and to the holders in accordance with Condition 16) redeem all, but not some only, of the Notes (other than Notes in respect of which the Issuer shall have given a notice of redemption pursuant to Condition 6(d) or an Exercise Notice in accordance with Condition 6(e) or in respect of which the Issuer or the Trustee shall have given a Put Event Notice in accordance with Condition 6(f), in each case prior to any notice being given under this Condition 6(c)) at their Early Redemption Amount, together with accrued interest to the date fixed for such redemption, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be required to pay such additional amounts were a payment in respect of the Note then due.

(d) ***Redemption at the Option of the Issuer (Call Option)***

If Call Option is specified in the Final Terms, the Issuer may, on giving not less than 15 or more than 30 days' irrevocable notice to the Noteholders redeem, all or, if so provided, some of the Notes on any Optional Redemption Date (other than Notes in respect of which the Issuer shall have given a notice of redemption pursuant to Condition 6(c) or in respect of which a Noteholder shall have given a Put Event Notice in accordance with Condition 6(f), in each case prior to any notice being given under this Condition 6(d)) in the principal amount or integral multiples thereof and on the date or dates so provided. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption shall only relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified in the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed specified in the Final Terms. (e) *Redemption at the Option of Noteholders (Put Option)*

If Put Option is specified in the Final Terms, the Issuer shall, at the option of the holder of such Note, redeem such Note, upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer, on the Optional Redemption Date(s) so provided at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("Exercise Notice") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer, except that such Note or Certificate will be returned to the relevant Noteholder by the Paying Agent, the Registrar or Transfer Agent with which it has been deposited if, prior to the due date for its redemption or the exercise of the option, the Note becomes immediately due and payable or if upon due presentation payment of the redemption moneys is not made or exercise of the option is denied.

(f) *Redemption at the Option of the Noteholders on the Occurrence of a Put Event*

If this Condition 6(f) is specified in the Final Terms as being applicable, then if, at any time while any issue of Notes remains outstanding, a Put Event (as defined below) occurs, then, unless at any time the Issuer shall have given a notice under Condition 6(c) or 6(d) in respect of his Note, in each case expiring prior to the Put Date (as defined below), the holder of each Note will, upon the giving of a Put Event Notice (as defined below), have the option to require the Issuer to redeem the Note on the Put Date at its Redemption Amount, together with interest accrued up to, but excluding, the Put Date.

A "Put Event" occurs if, at any time while any of the Notes remains outstanding, a Restructuring Event occurs and, within the Restructuring Period, either:

- (a) if at the time at which the Restructuring Event occurs there are Rated Securities, a Rating Downgrade in respect of that Restructuring Event also occurs; or
- (b) if at such time there are no Rated Securities, the Issuer fails to obtain (whether by failing to seek a rating or otherwise) a rating of the Notes or any other unsecured and unsubordinated debt of the Issuer having an initial maturity of five years or more, from a Rating Agency of at least investment grade (BBB-/Baa3 or their respective equivalents for the time being, or better) (a "Negative Rating Event"),

and such Restructuring Event is, not later than 14 days after the expiry of the Restructuring Period, certified in writing to the Issuer and the Trustee by an internationally recognised and appropriately qualified independent financial adviser of good standing appointed by the Issuer as being in its opinion materially prejudicial to the interests of the Noteholders (a "Negative Certification") (that

Restructuring Event and the relevant Rating Downgrading or, as the case may be, Negative Rating Event and, in each case, the Negative Certification together constituting the “Put Event”). The Issuer shall bear all charges and expenses of such independent financial adviser.

Promptly upon becoming aware that a Put Event has occurred, and in any event not later than 21 days after the occurrence of the Put Event, the Issuer shall, and at any time upon the Trustee becoming similarly so aware the Trustee shall, if so requested and indemnified to its satisfaction by the holders of at least one quarter in principal amount of the Notes then outstanding, give notice (a “Put Event Notice”) to the Noteholders in accordance with Condition 16, specifying the nature of the Put Event and the procedure for exercising the option contained in this Condition 6(f). Any certification by an independent financial adviser as aforesaid as to whether or not any Restructuring Event is materially prejudicial to the interests of Noteholders shall, in the absence of manifest error, be conclusive.

To exercise the option to require the Issuer to redeem a Note under this Condition 6(f), the Noteholder must deliver such Note or the Certificate representing it at the specified office of any Paying Agent, on any day which is a day on which banks are open for business in London and in the place of the specified office falling within the period (the “Put Period”) of 45 days after the date on which a Put Event Notice is given, accompanied by a duly signed and completed Exercise Notice. The Note or the Certificate representing it must be delivered to the Paying Agent together (in the case of a Bearer Note) with all Coupons appertaining thereto maturing after the date (the “Put Date”) being the seventh day after the date of expiry of the Put Period, failing which deduction in respect of such missing unmatured Coupons shall be made in accordance with Condition 7 other than in respect of Floating Rate Notes in which case the relevant unmatured Coupons shall be void. The Paying Agent to which such Note or Certificate and Exercise Notice are delivered will issue to the Noteholder concerned a non-transferable receipt (a “Put Option Receipt”) in respect of the Note or Certificate so delivered. Payment by the Issuer in respect of any Note so delivered shall be made, if the holder duly specified in the Exercise Notice a bank account complying with the requirements of Condition 7 to which payment is to be made, by transfer to that bank account on the Put Date and, in every other case, on or after the Put Date against presentation and surrender of such Put Option Receipt at the specified office of any Paying Agent subject in any such case to the provisions of Condition 7. An Exercise Notice, once given, shall be irrevocable. For the purposes of these Conditions and the Trust Deed, Put Option Receipts issued pursuant to this Condition 6(f) shall be treated as if they were Notes. The Issuer shall redeem the relevant Notes on the applicable Put Date. In this Condition:

“Rating Agency” means Standard & Poor’s Ratings Agency, a division of The McGraw-Hill Companies, Inc., Moody’s Investors Service, Inc. and Fitch Ratings Ltd or any of their respective successors and any other rating agency selected by the Issuer;

“Rated Securities” means the Notes, if at any time and for so long as they shall have a rating from a Rating Agency, and otherwise any other unsecured and unsubordinated debt of the Issuer having an initial maturity of five years or more which is rated by a Rating Agency;

A “Rating Downgrade” shall be deemed to have occurred in respect of a Restructuring Event if the current rating assigned to the Rated Securities by any Rating Agency (whether provided by a Rating Agency at the invitation of the Issuer or by its own volition) is withdrawn or reduced from an investment grade rating (BBB-/Baa3/BBB- or their respective equivalents for the time being, or better) to a non-investment grade rating (BB+/Ba1/BB+ or their respective equivalents for the time being, or worse) or, if the Rating Agency shall have already rated the Rated Securities below investment grade, the rating is withdrawn or lowered one full rating category.

A Rating Downgrade or a Negative Rating Event or a non-investment grade rating shall be deemed not to have occurred as a result of or in respect of a Restructuring Event if the Rating Agency making the relevant reduction in rating or, where applicable, declining to assign a rating of at least investment grade as provided in this Condition 6(f) does not announce or publicly confirm or inform the Trustee in writing at its request that the reduction or, where applicable, declining to assign a rating of at least investment grade was the result, in whole or in part, of any event or circumstance comprised in or arising as a result of the applicable Restructuring Event. The Trust Deed provides that the Trustee shall not be liable to any Noteholder for any failure to request any information from any Rating Agency;

“Restructuring Event” means the occurrence of any one or more of the following events:

- (a) (i) the Issuer is given written notice of the revocation of the power network licence (the “Licence”) issued to the Issuer by the Energy Market Authority (the “EMA”) pursuant to Chapter 2 of the Electricity Market Act (17.3.1995/386) or (ii) the Issuer agrees in writing with the EMA to the revocation or surrender of the Licence or (iii) any legislation is enacted terminating or revoking the Licence; or
- (b) any modification is made to the terms and conditions of the Licence other than such a modification which is certified in writing to the Trustee and the Issuer by an internationally recognised and appropriately qualified independent financial adviser of good standing appointed by the Issuer as being in its opinion not materially prejudicial to the interests of the Noteholders;

provided that the Trustee may call for and rely upon a certificate signed by a Director of the Issuer as to whether or not any one or more of such events has occurred;

“Restructuring Period” means, whether or not there are Rated Securities at the time a Restructuring Event occurs, the period of 90 days starting from and including the date on which that Restructuring Event occurs; and

The Trust Deed provides that the Trustee is under no obligation to ascertain whether a Put Event or any event which could lead to the occurrence of or could constitute a Restructuring Event or a Put Event has occurred and until it shall have actual knowledge or express notice pursuant to the Trust Deed to the contrary the Trustee may assume that no Restructuring Event or Put Event or other such event has occurred.

(g) Purchases

The Issuer and any of its Subsidiaries (as defined above) may, to the extent permitted by applicable law, at any time purchase Notes in the ordinary course of their respective treasury business (provided that all unmatured Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price.

(h) Cancellation

All Notes purchased by or on behalf of the Issuer or any of its Subsidiaries shall be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

- (ii) Interest on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the “Record Date”). Payments of interest on each Registered Note shall be made in the currency in which such payments are due by cheque drawn on a bank in the principal financial centre of the country of the currency concerned and mailed to the holder (or the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date and subject as provided in paragraph (a) above, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a bank in the principal financial centre of the country of that currency provided, however, that in the case of euro, the transfer may be to, or the cheque drawn on, a euro account with a bank in any city that has access to the TARGET system.

(c) *Payments in the United States*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments subject to Fiscal Laws*

Save as provided in Condition 8, payments will be subject in all cases to any other applicable fiscal or other laws or regulations in the place of payment or other laws and regulations to which the Issuer agrees to be subject and the Issuer will not be liable for any taxes or duties of whatever nature imposed

or levied by such laws, regulations or agreements. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents*

The Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Issuing and Paying Agent, the Paying Agents, the Registrar, Transfer Agents and the Calculation Agent act solely as agents of the Issuer (except as provided in the Trust Deed) and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities, (vi) such other agents as may be required by any other stock exchange on which the Notes may be listed and (vii) a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to any law implementing any Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 in each case, as approved by the Trustee.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 16.

(f) *Unmatured Coupons unexchanged Talons*

- (i) Upon the due date for redemption of those Notes, Bearer Notes which comprise Fixed Rate Notes should be surrendered for payment together with all unexpired Coupons (if any) appertaining thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexpired Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note that provides that the unexpired Coupons related thereto are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons and any unexpired Talon relating to it, and where any Bearer Note is

presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.

- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) Non-Business Days

If any date for payment in respect of any Note or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “business day” means a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “Financial Centres” in the Final Terms and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in euro) on which TARGET is open for business and carrying out transactions in euro in the jurisdiction in which the euro account specified by the payee is located and a day on which the TARGET system is open.

(i) Definition of the euro

References in these Conditions to the euro are to the currency which was introduced at the start of the third stage of European Economic and Monetary Union pursuant to Article 109(4) of the Treaty.

8 Taxation

All payments of principal and interest by or on behalf of the Issuer in respect of the Notes, the Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within Finland or by any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts to the Noteholder or Couponholder as shall result in receipt by that Noteholder or Couponholder of such amounts as would have been received by it had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (a) to, or to a third party on behalf of, a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with Finland other than the mere holding of the Note or Coupon;
- (b) presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day;
- (c) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to Directive 2003/48/EC implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (d) (except in the case of Registered Notes) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent in a Member State of the European Union.

As used in these Conditions, “Relevant Date” in respect of any Note or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate) or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “principal” shall be deemed to include any premium payable in respect of the Notes, all Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition or any amendment or supplement to it, (ii) “interest” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) “principal” and/or “interest” shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or the substitution for it under the Trust Deed.

9 Prescription

Claims against the Issuer for payment in respect of the Notes and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within five years (in the case of both principal and interest) from the appropriate Relevant Date in respect of them.

(h) *Nationalisation*

11 Meeting of Noteholders, Modifications and Waiver

(a) *Meetings of Noteholders*

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions or any provisions of the Trust Deed. The quorum for any meeting convened to consider a resolution other than an Extraordinary Resolution shall be one or more persons holding or representing in the aggregate not less than one-tenth in Principal Amount of the Notes for the time being outstanding, and the quorum for any meeting convened to consider an Extraordinary Resolution shall be one or more persons holding or representing a clear majority in Principal Amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the Principal Amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the Principal Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount is shown in the Final Terms, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the Specified Currency or Specified Currencies of payment or Specified Denomination of the Notes, or (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, in which case the necessary quorum shall be one or more persons holding or representing not less than two-thirds or at any adjourned meeting not less than one third in principal amount of the Notes for the time being outstanding. The expression "Extraordinary Resolution" means a resolution passed at a meeting of Noteholders duly convened by a majority consisting of not less than three-quarters of the votes cast. All other resolutions shall be passed at a meeting of Noteholders duly convened by a clear majority of the votes cast.

The Trust Deed provides that a resolution in writing signed by, or on behalf of, the holders of not less than 90 per cent. in principal amount of Notes who for the time being are entitled to receive notice of a meeting shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of such Noteholders duly convened and held.

(b) *Modification of the Trust Deed*

The Trustee may, without the consent of the Noteholders or Couponholders, (i) agree to any modification of any of the provisions of the Trust Deed or these Conditions, the Notes or the Coupons

that is, in the opinion of the Trustee, of a formal, minor or technical nature or is made to correct a manifest error or to comply with a mandatory provision of the laws of England or Finland, and (ii) agree to any other modification (except as mentioned in the Trust Deed), and waive or authorise any breach, continuing breach or proposed breach, of any of the provisions of the Trust Deed or these Conditions that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. (c) ***Entitlement of the Trustee***

Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued.

13 Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Notes.

Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

14 Enforcement

At any time after the Notes become due and payable, the Trustee may, at its discretion and with out further notice, institute such proceedings against the Issuer as it may think fit to enforce the terms of the Trust Deed, but it need not take any such proceedings unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by holders of at least one-fifth in principal amount of the Notes outstanding and (b) it shall have been indemnified to its satisfaction. No Noteholder, or Couponholder may proceed directly against the Issuer unless the Trustee, having become bound so to proceed fails to do so within a reasonable time and such failure is continuing.

15 Indemnification of Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profits.

The Trustee has no responsibility for the maintenance of any rating assigned to the Rated Securities by any person.

16 Notices

Notices to the holders of Registered Notes shall be mailed to them (or, in the case of joint holders, to the first named) at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*) or if any such publication is not practicable, notice shall be validly given if published in another leading English language daily newspaper or as otherwise required by any exchange on which the Notes are listed. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

17 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999 except and to the extent (if any) that the Notes expressly provide for such Act to apply to any of their terms.

18 Governing Law, Jurisdiction and Service of Process

(a) *Governing Law*

The Trust Deed, the Notes, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.

(b) *Jurisdiction*

The Courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with the Trust Deed or any Notes, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed or any Notes, Coupons or Talons (“Proceedings”) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of

the courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes, Coupons and Talons and shall not affect the right of any of them to take Proceedings in one or more jurisdictions or preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

(c) ***Service of Process***

The Issuer irrevocably appoints Jordans Trust Company of 20-22 Bedford Row, London WC1R 4JS as its agent in England to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able to act as such or no longer has an address in England, the Issuer irrevocably agrees to appoint a substitute process agent and shall immediately notify Noteholders of such appointment in accordance with Condition 16. Nothing shall affect the right to serve process in any manner permitted by law.

USE OF PROCEEDS

The net proceeds from the issue of any Notes will be used by the Issuer for general funding purposes.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Initial Issue of Notes

If the Global Notes or the Global Certificates are stated in the applicable Final Terms to be issued in NGN form or to be held under the NSS (as the case may be), (i) the Global Notes or the Global Certificates will be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper and (ii) the relevant clearing systems will be notified by the Issuing and Paying Agent whether or not such Global Notes or the Global Certificates are intended to be held in a manner which would allow Eurosystem eligibility. Depositing the Global Notes or the Global Certificates with the Common Safekeeper does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue, or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

Global notes which are issued in CGN form and Global Certificates which are not held under the NSS may be delivered on or prior to the original issue date of the Tranche to a Common Depository.

If the Global Note is a CGN, upon the initial deposit of a Global Note with a common depository for Euroclear and Clearstream, Luxembourg (the “Common Depository”) or registration of Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg and delivery of the relative Global Certificate to the Common Depository, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid. If the Global Note is a NGN, the nominal amount of the Notes shall be the aggregate amount from time to time entered in the records of Euroclear or Clearstream, Luxembourg. The records of such clearing system shall be conclusive evidence of the nominal amount of Notes represented by the Global Note and a statement issued by such clearing system at any time shall be conclusive evidence of the records of the relevant clearing system at that time.

Notes that are initially deposited with the Common Depository may (if indicated in the relevant Final Terms) also be credited to the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by other clearing systems. Conversely, Notes that are initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or any other clearing system (an “Alternative Clearing System”) as the holder of a Note represented by a Global Note or a Global Certificate must look solely to Euroclear, Clearstream, Luxembourg or such Alternative Clearing System (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note or the registered holder of the Global Certificate, as the case may be, and in relation to all other rights arising under the Global Notes or Global Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg or such Alternative Clearing System (as the case may be).

Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note or Global Certificate and such obligations of the Issuer will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

Exchange

1 Temporary Global Notes

Each temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date:

- (A) if the relevant Final Terms indicate that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (see “Overview of the Programme – Selling Restrictions”), in whole, but not in part, for the Definitive Notes defined and described below; and
- (B) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement, for interests in a permanent Global Note or, if so provided in the relevant Final Terms, for Definitive Notes.

Each temporary Global Note that is also an Exchangeable Bearer Note will be exchangeable for Registered Notes in accordance with the Conditions in addition to any permanent Global Note or Definitive Notes for which it may be exchangeable and, before its Exchange Date, will also be exchangeable in whole or in part for Registered Notes only.

In relation to any issue of Notes which are represented by a temporary Global Note which is expressed to be exchangeable for definitive Bearer Notes at the option of the Noteholders, such Notes shall be tradeable only in principal amounts of at least the Specified Denomination (or if more than one Specified Denomination, the lower Specified Denomination and multiples thereof).

2 Permanent Global Notes

Each permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided under paragraph 4 below, in part for Definitive Notes or, in the case of paragraph 4 below, Registered Notes:

- (A) if the permanent Global Note is an Exchangeable Bearer Note, by the holder giving notice to the Issuing and Paying Agent of its election to exchange the whole or a part of such Global Note for Registered Notes; or
- (B) otherwise, (1) if the permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or any Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so or (2) if principal in respect of any Notes is not paid when due, by the holder giving notice to the Issuing and Paying Agent of its election for such exchange.

In the event that a Global Note is exchanged for Definitive Notes, such Definitive Notes shall be issued in Specified Denomination(s) only. A Noteholder who holds a principal amount of less than the minimum Specified Denomination will not receive a definitive Note in respect of such holding and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denomination.

3 Global Certificates

If the Final Terms state that the Notes are to be represented by a Global Certificate on issue, transfers or exchanges of the holding of Registered Notes represented by any Global Certificate pursuant to Condition 2(b) may only be made in part:

- (A) if the Registered Notes represented by the Global Certificate are held on behalf of Euroclear or Clearstream, Luxembourg or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (B) if principal in respect of any Registered Notes is not paid when due; or
- (C) with the consent of the Issuer

provided that, in the case of the first transfer of part of a holding pursuant to paragraph 3(A) or 3(B) above, the holder of the Global Certificate has given the Registrar not less than 30 days' notice at its specified office of the intention of the holder of the Global Certificate to effect such transfer.

4 Partial Exchange of Permanent Global Notes

For so long as a permanent Global Note is held on behalf of a clearing system and the rules of that clearing system so permit, such permanent Global Note will be exchangeable at the cost of the Issuer in part on one or more occasions (1) for Registered Notes if the permanent Global Note is an Exchangeable Bearer Note and the part submitted for exchange is to be exchanged for Registered Notes, or (2) for Definitive Notes if principal in respect of any Notes is not paid when due.

5 Delivery of Notes

If the Global Note is a CGN, on or after any due date for exchange, the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Issuing and Paying Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a temporary Global Note exchangeable for a permanent Global Note, deliver, or procure the delivery of, a permanent Global Note in an aggregate principal amount equal to that of the whole or that part of a temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Note to reflect such exchange or (ii) in the case of a Global Note or Global Certificate exchangeable for Definitive Notes or Registered Notes, deliver, or procure the delivery of, an equal aggregate principal amount of duly executed and authenticated Definitive Notes and/or Certificates, as the case may be or if the Global Note is a NGN, the Issuer will procure that details of such exchange be entered pro rata in the records of the relevant clearing system. In this Prospectus, "Definitive Notes" means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons in respect of interest or that has not already been paid on the Global Note and a Talon). Definitive Notes will be security printed and Certificates will be printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Trust Deed. On exchange in full of each permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

6 Exchange Date

"Exchange Date" means, in relation to a temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a permanent Global Note, a day falling not less than 60 days, or in the case of an exchange for Registered Notes five days, or in the case of failure to pay principal in respect of any Notes when due 30 days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and in the city in which the relevant clearing system is located.

Amendment to Conditions

The temporary Global Notes, the permanent Global Notes and the Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Prospectus. The following is a summary of certain of those provisions:

1 Payments

No payment falling due after the Exchange Date will be made on any temporary Global Note unless exchange for an interest in a permanent Global Note or for Definitive Notes or Registered Notes is improperly withheld or refused. Payments on any temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Trust Deed. All payments in respect of Notes represented by a Global Note in a CGN form will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Issuing and Paying Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. If the Global Note is CGN, a record of each payment so made will be endorsed on each Global Note, which endorsement will be prima facie evidence that such payment has been made in respect of the Notes. Condition 7(e)(vii) and Condition 8(d) will apply to Definitive Notes only. If the Global Note is a NGN or if the Global Certificate is held under the NSS, the Issuer shall procure that details of each such payment shall be entered pro rata in the records of the relevant clearing system and in the case of payments of principal, the nominal amount of the Notes recorded in the records of the relevant clearing system and represented by the Global Note or the Global Certificate will be reduced accordingly. Payments under the NGN will be made to its holder. Each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries in the records of the relevant clearing system shall not affect such discharge. For the purpose of any payments made in respect of a Global Note, the relevant place of presentation shall be disregarded in the definition of "business day" set out in Condition 7(h) (Non-Business Days).

All payments in respect of Notes represented by a Global Certificate will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the record date which shall be on the Clearing System Business Day immediately prior to the date for payment, where Clearing System Business Day means Monday to Friday inclusive except 25 December and 1 January.

2 Prescription

Claims against the Issuer in respect of Notes that are represented by a permanent Global Note or a Global Certificate will become void unless it is presented for payment within a period of five years (in the case of both principal and interest) from the appropriate Relevant Date (as defined in "Terms and Conditions of the Notes - Taxation").

3 Meetings

For the purposes of any quorum requirements of a meeting of Noteholders the holder of a permanent Global Note or of the Notes represented by a Global Certificate shall be treated as having one vote in respect of each integral currency unit of the Specified Currency of the Notes. All holders of Registered Notes are entitled to one vote in respect of each integral currency unit of the Specified Currency of the Notes comprising such Noteholder's holding, whether or not represented by a Global Certificate.

4 Cancellation

Cancellation of any Note represented by a permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the principal amount of the relevant permanent Global Note.

5 Purchase

Notes represented by a permanent Global Note may only be purchased by the Issuer or any of its Subsidiaries (as defined in the Terms and Conditions of the Notes) if they are purchased together with the rights to receive all future payments of interest set out in the Final Terms.

6 Issuer's Option

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented by a Global Note or Global Certificate shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the certificate numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg or the relevant Alternative Clearing System, as the case may be (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion or any other Alternative Clearing System (as the case may be)).

7 Noteholders' Options

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a Global Note or Global Certificate may be exercised by the holder of the Global Note or Global Certificate giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent, except that the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised, and stating the principal amount of Notes in respect of which the option is exercised and at the same time, where the permanent Global Note is a CGN, presenting the Global Note or Global Certificate to the Issuing and Paying Agent, or to a Paying Agent acting on behalf of the Issuing and Paying Agent, for notation. Where the Global Note is a NGN or where the Global Certificate is held under the NSS, the Issuer shall procure that details of such exercise shall be entered pro rata in the records of the relevant clearing system and the nominal amount of the Notes recorded in those records will be reduced accordingly.

8 NGN nominal amount

Where the Global Note is a NGN, the Issuer shall procure that any exchange, payment, cancellation, exercise of any option or any right under the Notes, as the case may be, in addition to the circumstances set out above shall be entered in the records of the relevant clearing systems and upon any such entry being made, in respect of payments of principal, the nominal amount of the Notes represented by such Global Note shall be adjusted accordingly.

9 Trustee's Powers

In considering the interests of Noteholders while any Global Note is held on behalf of, or any Global Certificate is registered in the name of any nominee for, a clearing system, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders with entitlements to such Global Note or Global Certificate and may consider such interests as if such accountholders were the holders of the Notes represented by such Global Note or Global Certificate.

10 Notices

So long as any Notes are represented by a Global Note or a Global Certificate and such Global Note or Global Certificate is held on behalf of a clearing system, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note or Global Certificate.

11 Electronic Consent and Written Resolution

While any Global Note is held on behalf of, or any Global Certificate is registered in the name of any nominee for, a clearing system, then:

- (a) approval of a resolution proposed by the Issuer or the Trustee (as the case may be) given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) in accordance with their operating rules and procedures by or on behalf of the holders of not less than 90 per cent. in nominal amount of the Notes outstanding (an "Electronic Consent" as defined in the Trust Deed) shall, for all purposes (including matters that would otherwise require an Extraordinary Resolution to be passed at a meeting for which the Special Quorum was satisfied), take effect as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held, and shall be binding on all Noteholders and holders of Coupons and Talons whether or not they participated in such Electronic Consent; and
- (b) where Electronic Consent is not being sought, for the purpose of determining whether a Written Resolution (as defined in the Trust Deed) has been validly passed, the Issuer and the Trustee shall be entitled to rely on consent or instructions given in writing directly to the Issuer and/or the Trustee, as the case may be, by accountholders in the clearing system with entitlements to such Global Note or Global Certificate or, where the accountholders hold any such entitlement on behalf of another person, on written consent from or written instruction by the person for whom such entitlement is ultimately beneficially held, whether such beneficiary holds directly with the accountholder or via one or more intermediaries and provided that, in each case, the Issuer and the Trustee have obtained commercially reasonable evidence to ascertain the validity of such holding and have taken reasonable steps to ensure that such holding does not alter following the giving of such consent or instruction and prior to the effecting of such amendment. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. As used in this paragraph, "commercially reasonable evidence" includes any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other Alternative Clearing System, or issued by an accountholder of them or an intermediary in a holding chain, in relation to the holding of interests in the Notes. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including

Euroclear's EUCLID or Clearstream, Luxembourg's CreationOnline system) in accordance with its usual procedures and in which the accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. Neither the Issuer nor the Trustee shall be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

FINGRID OYJ

Overview and History

Fingrid is a public limited liability company incorporated under the Finnish Companies Act. Fingrid was founded on 29 November 1996, by Fortum Power and Heat Oy (formerly Imatran Voima Oy) (“Fortum”), Pohjolan Voima Oy (“PVO”) and the Republic of Finland to carry on the Finnish power transmission businesses then operated by Fortum and PVO. Fingrid was entered into the Finnish Trade Register on 13 January 1997 under Business Identity Code 1072894-3. Fingrid’s registered address is at Lakkisepäntie 21, 00620 Helsinki, with telephone number +358 30 395 5000 and its domicile is Helsinki.

Fingrid holds the power grid licence, owns the Main Grid (as defined below) property and holds the Main Grid agreements and related cash flows. Fingrid is responsible for the Finnish electricity system as well as controlling and maintaining emergency reserve power.

On 13 July 2009, the European Parliament and the Council of the European Union adopted the third energy package concerning the internal energy market (the “Energy Package”). The decision provides for, among other things, rules for a renewed internal electricity market, regulation on conditions for access to the network for cross-border exchanges in electricity and the requirement that transmission system companies are unbundled from electricity generating and selling companies by March 2012. As a result of the Energy Package, PVO and Fortum were requested to dispose of their shareholding in Fingrid by March 2012 and on 19 April 2011 divested their shareholding in Fingrid to the State of Finland and Mutual Pension Insurance Company Ilmarinen.

The new Electricity Market Act (588/2013, the “Act”) which implements the Energy Package to Finnish legislation came into force on 1 September 2013. The requirement that transmission system companies are unbundled from electricity generating and selling companies is one of the essential requirements under the Act. As described above, such requirement was fulfilled in 2011. The Energy Authority (the “EA”) issued a decision on 14 March 2014 in which it confirmed that Fingrid fulfils the requirements set out in the Act concerning the unbundling.

The general meeting of Fingrid held on 6 June 2014 amended the Company's Articles of Association by, inter alia, deleting a section of clause 3 which stated that a shareholder may vote with a maximum of forty-nine point nine per cent (49.9 per cent.) of the total votes represented in the meeting. As a result of the deletion, the Republic of Finland, who currently directly owns 41.56 per cent. of the shares of the Company entitling it to 55.42 per cent. of the votes and indirectly owns, through the National Emergency Supply Agency, 11.58 per cent. of the shares of Fingrid entitling it to 15.44 per cent. of the votes, can therefore vote with all its shareholding. Thus, it can be deemed that Fingrid is directly controlled by the Republic of Finland. Control in Fingrid shall be always in compliance with the provisions of the Finnish Limited Liability Company Act (624/2006, as amended), the Articles of Association and the code of conduct of Fingrid.

Business and Operations

Fingrid is the owner and operator of Finland’s high voltage electricity transmission system (the “Main Grid”) and all major cross-border power interconnections with neighbouring countries. Fingrid’s business comprises the provision of Main Grid services, cross-border services, balance services and electricity market services to connected customers as well as participants in the electricity market. Fingrid owns nearly 100 per cent. of Finland’s 400 kV and 220 kV lines. The lower voltage 110 kV lines owned by Fingrid, around half of these lower voltage lines based in Finland, complement the meshed structure of its network and permit direct access by all substantial consumption and production entities to the Main Grid.

Power Transmission

Fingrid owns and operates approximately 14,000 kilometres of power lines and more than 100 electricity substations. The Company transmitted through the Main Grid approximately 77.0 per cent. of the 83.9 TWh, total electricity that was consumed in Finland in 2013. The balance was produced in regional grids or at industrial sites.

By international comparison, transmission losses are low indicating a strong transmission grid and high level of operational efficiency.

Grid Operation and Asset Management

Fingrid's approach to grid operation and asset management is derived from the system safety and security obligations imposed by the Act. In its operations, the Company employs modern information technology systems which allow real-time centralised monitoring and control of the network. The Company places considerable emphasis on up-to-date technology as well as the automating and outsourcing of the routine work. All strategic network tasks are performed by Fingrid's personnel, but local operations and maintenance are carried out by subcontractors via a competitive tender process.

Services

Main Grid Services

Fingrid offers grid services to customers who are planning or already have a connection to the Main Grid and who wish to transfer electricity through their connection point(s) to and from the Main Grid. Services include all initiatives related to the Main Grid e.g. planning, constructing, maintaining and operating the grid. Currently Fingrid has approximately 120 grid service customers.

Cross-border Services

Cross-border services are offered to customers who transfer electricity through Fingrid's Nordic, Russian and Estonian connections. The total power transmission capacity available towards Sweden, Norway and Estonia is offered to the power market with equal and uniform principles in the Nordic electricity market exchange called Nord Pool Spot AS and in the Elspot and Elbas market run by Nord Pool Spot.

The transmission services on Russian connections are offered separately to all electricity market parties.

Balance Services

Fingrid is responsible for maintaining a continuous power balance in Finland and for the nation-wide imbalance settlement. Through the balance services, Fingrid's customers can balance the difference between their electricity production, procurement and consumption and sales by means of balance power, obtain the services relating to balance settlement and have an opportunity to participate in the Nordic balancing power market.

Tariffs and Pricing

The Main Grid services offered by the Company and the manner in which those services are priced are governed by the Act. The pricing structure is mainly based on consumption of electricity, which makes Fingrid's income flow stable and improves financial predictability.

Capital Expenditure

Capital expenditure is planned within a 10 year framework and also includes preliminary plans for up to 20-30 years ahead. Specific network projects are carried out within a significantly shorter time horizon, for example, approximately five year lead times for the construction and completion of new substations and power lines. Capital expenditure is aimed at allowing for larger power transfers, maintaining system security, increasing cross border capacity and renovating the grid.

Over the next 10 years, Fingrid's capital expenditure in the transmission grid and reserve power is estimated to be approximately €1 billion.

Regulatory Framework

Fingrid is the only entity licensed in Finland to conduct national high voltage power transmission. On 10 April 2014 Fingrid applied for a new licence under the Act. The new license was issued by the EA on 29 October 2014. The license will be in force until 31 December 2016.

A precondition for grant of the license was that Fingrid was certified as an unbundled Transmission System Operator. This decision was made by the EA on 14 March 2014 as mentioned above. The unbundling decision includes two conditions relating to the shareholders of Fingrid which Fingrid has to fulfill: Fingrid has to notify the EA in case any other shareholder other than the State of Finland purchases over 5 per cent. of the shares in a company that produces or supplies power and any subsequent 1 per. cent holding increase thereof; and a current shareholder of Fingrid holding 0.13 per cent. of voting shares must renounce such voting shares by 31 December 2016.

Under the terms of the Act and a new decree (27.8.2013/635) issued by the Ministry of Employment and Economy concerning the systems responsibility of the Transmission System Operator, Fingrid's obligations are to:

1. ensure that the Main Grid can fulfil reasonable demands for electricity transmission in the long term;
2. manage the operations of the Main Grid so that it operates safely and efficiently;
3. maintain adequate resources concerning the Main Grid service so that the party responsible for the system can on its part secure the delivery of reliable electricity;
4. manage the required ancillary services; and
5. take care of balance management and settlement.

These obligations also include requirements in relation to operational security, safety of operations, reliable metering, equal and non-discriminatory access to the Main Grid and provision of adequate information for the EA to be able to fulfil its monitoring duty.

The EA monitors the reasonableness of Fingrid's pricing. The EA has developed a methodology to assess the reasonableness of Fingrid's return. The EA has confirmed the methodology for pricing for the period 2012-2015.

TAXATION

General

The comments below are of a general nature and are not intended to be exhaustive. Any Noteholders who are in doubt as to their own tax position should consult their professional advisers.

1 Finnish Taxation

The following summary outlines Finnish tax consequences to holders of Notes who are not residents of Finland for tax purposes and who are not engaged in business in Finland for Finnish tax purposes through a permanent place of business in Finland or otherwise. Purchasers are urged to consult their professional advisers as to the tax consequences of holding or transferring Notes.

Under present Finnish law, payments of the principal of and interest (if any) on the Notes will be exempt from all taxes, duties, fees and imposts of whatever nature, imposed or levied by or within the Republic of Finland or by any province, municipality or other political sub-division or taxing authority thereof and therein, except when the holder of the Note or Coupon to which any such payment relates is subject to such taxation thereon by reason of such holders being connected with the Republic of Finland otherwise than solely by his holding of such Note or Coupon or the receipt of income therefrom.

The above holders of the Notes are not liable to pay Finnish capital gains tax on Notes nor is transfer tax in general payable on a transfer of Notes.

Transfers of Notes by a non-resident by way of a gift or by reason of the death of the owner may be subject to Finnish gift or inheritance tax, respectively.

2 European Directive on the Taxation of Savings Income

Under EC Council Directive 2003/48/EC on the taxation of savings income (the “EU Savings Directive”), each EU Member State is required to provide to the tax authorities of other EU Member States details of payments of interest (or similar income) paid by a person established within its jurisdiction (or for the benefit of) to an individual resident, or to certain other persons established in that other EU Member State. However, for a transitional period, Luxembourg and Austria will instead (unless during that period they elect otherwise) apply a withholding system in relation to such payments, subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest (or similar income) may request that no tax be withheld. The ending of such transitional period is dependent upon the conclusion of certain other agreements relating to information exchange by certain non-EU countries. The Luxembourg government has announced its intention to elect out of the withholding system in favour of an automatic exchange of information with effect from 1 January 2015. A number of non-EU countries and certain dependent or associated territories have adopted similar measures to the EU Savings Directive (either provision of information or transitional withholding).

The Council of the European Union has adopted a Directive (“the Amending Directive”) which will, when implemented, amend and broaden the scope of the requirements of the EU Savings Directive described above. The Amending Directive will expand the range of payments covered by the EU Savings Directive, in particular to include additional types of income payable on securities, and the circumstances in which payments must be reported or paid subject to withholding. For example, payments made to (or for the benefit of) (i) an entity or legal arrangement effectively managed in an EU Member State that is not subject to effective taxation, or (ii) a person, entity or legal arrangement established or effectively managed outside of the EU (and outside any third country or territory that has adopted similar measures to the Savings Directive) which indirectly benefit an individual resident in an EU Member State, may fall within the scope of the EU

Savings Directive, as amended. The Amending Directive requires EU Member States to adopt national legislation necessary to comply with it by 1 January 2016, which legislation must apply from 1 January 2017.

Investors who are in any doubt as to their position should consult their professional advisers.

3 U.S. Foreign Account Tax Compliance Act

Pursuant to the foreign account tax compliance provisions of the Hiring Incentives to Restore Employment Act of 2010 (“FATCA”), non-U.S. financial institutions that enter into agreements with the IRS (“IRS Agreements”) or become subject to provisions of local law intended to implement an intergovernmental agreement (“IGA legislation”) entered into pursuant to FATCA, may be required to identify “financial accounts” held by U.S. persons or entities with substantial U.S. ownership, as well as accounts of other financial institutions that are not themselves participating in (or otherwise exempt from) the FATCA reporting regime.

Under FATCA, withholding may be required with respect to payments to persons that are not compliant with FATCA or that do not provide the necessary information, consents or documentation made on or after (i) July 1, 2014 in respect of certain U.S. source payments, (ii) January 1, 2017, in respect of payments of gross proceeds (including principal repayments) from the disposition of property that can produce U.S. source interest or dividends and (iii) January 1, 2017 (at the earliest) in respect of “foreign passthru payments.” FATCA withholding in respect of foreign passthru payments is not required for “obligations” that are not treated as equity for U.S. federal income tax purposes unless such obligations are issued or materially modified after the date that is six months after the date on which the final regulations defining “foreign passthru payments” are filed with the Federal Register.

The United States and the Republic of Finland have agreed to an intergovernmental agreement to facilitate the implementation of FATCA. In order (a) to obtain an exemption from FATCA withholding on payments it receives and/or (b) to comply with any applicable laws in its jurisdiction, a financial institution that enters into an IRS Agreement or is subject to IGA legislation may be required to (i) report certain information on its U.S. account holders to the government of the United States or another relevant jurisdiction and (ii) withhold 30 per cent. from all, or a portion of, certain payments made to persons that fail to provide the financial institution information, consents and forms or other documentation that may be necessary for such financial institution to determine whether such person is compliant with FATCA or otherwise exempt from FATCA withholding.

Whilst the Notes are in global form and held within the ICSDs, it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Notes by the Issuer, any paying agent and the Common Depositary or Common Safekeeper, given that each of the entities in the payment chain between the Issuer and the ICSDs is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach introduced under an IGA will be unlikely to affect the Notes. The documentation expressly contemplates the possibility that the Notes may go into definitive form and therefore that they may be taken out of the clearing systems. If this were to happen, then a non-FATCA compliant holder could be subject to FATCA Withholding. However, definitive notes will only be printed in remote circumstances.

The application of FATCA to a particular Note of any issue may be addressed in the applicable Final Terms.

FATCA IS PARTICULARLY COMPLEX AND ITS APPLICATION TO THE ISSUER, THE NOTES AND THE HOLDERS IS UNCERTAIN AT THIS TIME. EACH PROSPECTIVE PURCHASER SHOULD CONSULT ITS OWN TAX ADVISOR TO OBTAIN A MORE DETAILED EXPLANATION OF FATCA

AND TO LEARN HOW FATCA MIGHT AFFECT EACH HOLDER IN ITS PARTICULAR CIRCUMSTANCES.

4 The Proposed Financial Transactions Tax (“FTT”)

On 14 February the European Commission published a proposal (“the Commission’s Proposal”) for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the “participating Member States”).

The Commission’s Proposal has very broad scope and could, if introduced, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

Under the Commission’s Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, “established” in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

Notwithstanding the Commission’s Proposal, a joint statement issued in May 2014 by the participating Member States (other than Slovenia) indicated an intention to implement the FTT progressively, such that it would initially apply to transactions involving shares and certain derivatives, with this initial implementation occurring by 1 January 2016. However, full details are unavailable. The FTT, as initially implemented on this basis, may not apply to dealings in Notes.

The proposed FTT proposal remains subject to negotiation between the participating Member States and the timing remains unclear. Additional EU Member States may decide to participate. Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

SUBSCRIPTION AND SALE

Subject to the terms and the conditions contained in an Amended and Restated Programme Agreement dated 14 November 2013 (the “Programme Agreement”) between the Issuer and the Permanent Dealers, the Notes will be offered from time to time by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Programme Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between the Issuer and the Dealer, which commission may be deducted from the net proceeds payable to the Issuer on the closing of any series of Notes. The Issuer has agreed to reimburse the Arrangers for certain of their expenses incurred in connection with the establishment and the update of the Programme and the Dealers for certain of their activities in connection with the Programme.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Programme Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons, except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes in bearer form having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has represented, warranted and agreed that, except as permitted by the Programme Agreement, it has not offered, sold or delivered and will not offer, sell or deliver the Notes of any identifiable Tranche, (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of such Tranche as determined and certified by the relevant Dealer (in the case of a non-syndicated issue) or the relevant Lead Manager (in the case of a syndicated issue), within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in the preceding sentence have the meanings given to them by Regulation S under the Securities Act.

The Notes are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S. In addition, until 40 days after the commencement of the offering, an offer or sale of Notes within the United States by any Dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

This Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason. This Prospectus does not constitute an offer to any person in the

United States. Distribution of this Prospectus by any non-U.S. person outside the United States to any U.S. person or to any other person within the United States, is unauthorised and any disclosure without the prior written consent of the Issuer or any of its contents to any such U.S. person or other person within the United States is prohibited.

United Kingdom

Each Dealer has represented and agreed that:

- (i) in relation to any Notes which have a maturity of less than one year, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of section 19 of the FSMA by the Issuer;
- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to such Notes in, from or otherwise involving the United Kingdom.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended, the “Financial Instruments and Exchange Act”). Accordingly, each of the Dealers has represented and agreed that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan) or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and other relevant laws and regulations of Japan.

General

These selling restrictions may be modified by the agreement of the Issuer and the Dealers following a change in a relevant law, regulation or directive.

No representation is made that any action has been taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of the Prospectus or any other offering material or any Final Terms in any country or jurisdiction where action for that purpose is required.

Each Dealer has agreed that it shall, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Prospectus, any other offering material or any Final Terms in all cases at its own expense.
