

INVITATION TO STAKEHOLDER WEBINAR ARRANGED BY THE NORDIC TSOs

Publication of the Solutions Report 2020

The four Nordic TSOs: Svenska kraftnät, Statnett, Fingrid and Energinet are pleased to invite you to a stakeholder webinar presenting the newly published Solutions Report 2020.

The webinar will be held: **2nd June 2020 from 9:00 - 12:00**

The Solutions Report 2020 presents the most recent status of the joint Nordic tasks previously identified as needed solutions to address challenges in the Nordic power system.

The webinar information and the Solutions Reports can be found here:

[Webinar event page and registration](#)

In addition to giving you an opportunity to provide feedback on the report, this event will also include presentations from four stakeholders on new developments in the Nordic power system.

Please mark your calendar and sign up right away on the webinar webpage.

With kind regards, on behalf of the project for the Solutions Report 2020:

Hanne Storm Edlefsen
Chair Solutions Report 2020
Director, Strategic Planning
Energinet Electricity System Operator
